**YOU HAVE THE POWER TO
"HAND DELIVER" a simple
"Act Of..." doing something good—a
simple thing; a surprising thing; whatever.**

Nothing builds self-esteem better than giving your time and effort to help others, also known as *paying it forward*. The point is just that you make time in your schedule each day, each week, each month, to flex that caring-muscle. These are things you can do along with your children and others. **It won't just build your children's self-esteem, but will build yours as well!** *In the end, every single good-act comes back to you, and the good of children, all 10-fold!*

It's Easy as 1, 2, 3!
